

## **Constructed Response *Mystic River***

Read the constructed response questions below and type your answers for each question. Use Times New Roman Font, size 14, double spaced. Make sure you put your name and hour on your paper.

Responses are graded on quality not quantity, but make sure you identify each question prior to answering them. You will be graded on content, grammar, spelling and formatting. If you turn in a paper that is only one paragraph, then you have not successfully answered the questions. Use the film *Mystic River* to explore the characters and storyline in order to provide support for your answers and to properly address the questions. Refer to the constructed response verbiage listed at the bottom of this assignment; use this verbiage in your paper.

1. Karma is a Hindu and Buddhist philosophy according to which the quality of people's current and future lives is determined by their behavior in this life and in previous lives. Apply this theme in *Mystic River* to the main characters of Dave and Jimmy, support how Karma affects or does not affect their lives.
2. The Mystic River is a river that flows into the Boston Harbor, which is considered to carry many secrets with it. What comparisons and references appear in the film to allude to the river being an additional character in the movie? Interpret the meaning of the title *Mystic River* for the film. Think about how the Mystic River could be a metaphor or analogy for the story.
3. What makes Dave the easy target for the pedophiles and the most likely character in the story to get into the car? What is it about Jimmy and Sean's personality that suggest they aren't good candidates to get into the car?
