

Level	Intermediate to advanced
Type	Individual
Topic	Web Posting
Points	50 points, Extra Credit
Media	Internet Video Posting
Objective	Students will post to the internet a video selection.
Directions	Students will post one of their classroom videos to the internet, using a public posting site, such as: YouTube.com, SchoolTube.com, Metacafe.com, LuLu.com or Google Video. Your posting must reference Horizon High School. Students will received extra credit on this assignment after the instructor accesses the internet site and views the video posted. All postings should be positive and appropriate in nature.
Format	Internet posting.
