

Level	Intermediate to advanced
Type	1 to 4 individuals
Topic	Point of View (POV) Video
Points	100 points
Media	Demonstrating camera technique and creativity.
Objective	Students will demonstrate camera technique, creativity, by utilizing the technique called point of view (POV) video.
Directions	Students will develop a POV video. Tell a short story from another perspective, you may want to use dialogue or you may not. The video is a demonstration of seeing the world from a unique camera POV shot. This could be through the eyes of an animal or person, your choice. Video should be one minute.
Format	DVD
