

Level	Intermediate to advanced
Type	Two people
Topic	Biography Video
Points	100 points
Media	Demonstrating Camera technique and creativity, and academic knowledge on one individual through a video presentation.
Objective	Students will demonstrate Camera technique, creativity, and biographical information by making a one minute video on one famous or not so famous individual.
Directions	Students will develop a video collage of facts and images on one person. Your video should select one individual; this could be a retiring teacher, the president of the United States, or a historical figure, such as William Shakespeare. Combine images from numerous sources to present a video presentation on their life and/or career. Students are encouraged to make this assignment cross disciplinary, in other words if this assignment fulfills the requirements of a class you are taking, you are encouraged to do so. Your instructor will also accept modifications to this assignment with approval, so that it can be used in another course.
Format	DVD
