

Level	Intermediate
Type	Individual or Group Assignment (1 to 3 people)
Topic	Sound Effects
Points	100 points
Media	One Minute DVD Video
Objective	The students will film a short narrative and add as many sound effects as possible to enhance the narrative.
Directions	<p>Students will use sound effects and learn how to add them into their narrative to enhance the viewing experience. In this assignment the idea is to add as many, different sound effects to a project. Sound effects can be appropriate to the subject matter or completely unexpected. Students are encouraged to think out-of-the-box in developing their video presentation. For example, a student might opt to show a classroom setting, but add the sound effects of a military academy.</p> <p>Think about some of the daily scenes you witness for your presentation, consider a unique angle to tell your story using sound effects.</p>
