

International Thespian Society

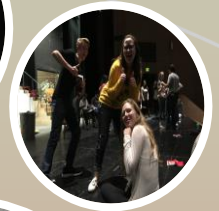

Horizon High School's Thespian Troupe #5012 plays an active role in honoring students for their continued work in theatre. It is a membership based society that students can join after completing a certain amount of hours with our after school theatre program. Our main event during the year is to attend the Colorado State Thespian Conference in December each year.

Course Offerings

We offer the following courses for students to take as Fine Arts elective credits:

- Theatre 1
- Theatre 2
- Theatre 3
- Technical Theatre
- Theatre Dance
- Film Study
